Dear Daphney,

Land West side of Eagle Avenue, WaterlooVille, PO8 9QD

Application to determine whether prior approval is required for the installation of a 15 metre high monopole supporting 3No antennas and 2 No 300mm microwave dish antennas. Installation of an equipment cabinet and an electrical meter cabinet at ground level and ancillary development works.

I refer to your consultation in respect of the above planning application.

As a Statutory Undertaker the applicant can place equipment on and under the highway and the Highway Authority cannot object. The Highway Authority therefore recommends no objection to the proposed mast. it would point out that any necessary loss of trees or pruning of retained trees can only be carried out with the Highway Authority's approval and the former may be subject to a financial penalty so that replacement planting can take place as mitigation for the loss of any tree(s).

*Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI*

I recommend the applicants contact my colleagues to cover this topic by email to
arb@hants.gov.uk

Yours sincerely,

Ray Alborough
