To Whom It May Concern– Planning Department Havant UK

Dear Sir/Madam

This is my confirmation that I lived in the above annex accommodation from May 2016 to July 2016.

The annex had use of lounge, kitchen, 2 bedrooms and bathroom. It had its own private front entrance and did not have access to the main house.

I have now returned to Romania and you can contact me on sweet.myal8@yahoo.com
