Good Morning Joseph,

Understood, thank you for the update.

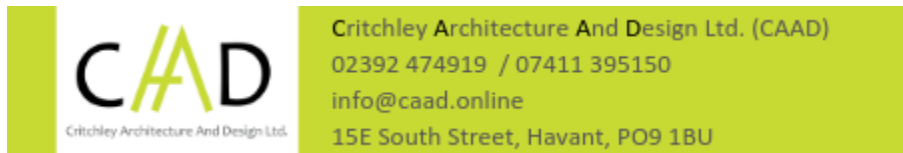

As we are working from home I do not have the facilities to print/scan the attached EoT.

Please take this email as our acceptance of agreeing to the Extension of Time until 15th May 2020.

We will await the response from Highways in the meantime.

Kind Regards,

Sarah Roberts
Architectural Designer

Hi Sarah,

I hope you are well.

Following on from our previous conversations, due to the current situation we are unfortunately unable to conduct any site visits for the next three weeks until government restrictions have been lifted. This means for any applications in which we have not done a site visit for cannot be signed off until done so.

We apologise for the inconvenience this will cause regarding the process of your application.

It would be much appreciated if you can agree to the attached Extension of time letter until 15/05/2020 to allow for a site visit to be conducted and to determine the planning application.

Thank you very much for your patience in these difficult times.

All the best,

Joseph Toole
