Dear FAO Traffic Team

The Town and Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Site Address: 16 Madocks Way, Waterloooville, PO8 8QE

Proposed Development: Conversion of garage to dining room & cycle/motorcycle store.

I have received an application in respect of the above, details of which will be on Havant Borough Council's Public Access pages on <https://planningpublicaccess.havant.gov.uk/online-applications>.

I have concerns regarding the lack of parking provided after the loss of the garage, the proposed available parking would be below our parking standards. The application site is also located near Rachel Madocks school. Do you have any issues with the loss of 1No. parking space at the above address and the use of the road as off road parking?

Please comment within 21 days of this letter.

If you are unable to use the consultee comment facility on the website, please reply to planning.development@havant.gov.uk.

If you wish to discuss the application prior to commenting, please contact the planning officer dealing with the application, Ms D Sheath, who may be contacted on the above telephone number.

Yours sincerely
