Dear ,

1 Liddiards Way, Purbrook, Waterlooville, PO7 5QW

Outline application for the erection of 1No. 2bed detached dwelling, with access and layout to be considered and all other matters reserved.

HBC will need to determine in their capacity as local parking authority that the proposed level of parking provision falls in line with adopted standards.

Highways Development Planning raises no in-principle objections to the proposal and to create an additional point of access in this location.

Any reserved matters application coming forward however will need to give specific consideration to the boundary treatment between the existing and proposed parking areas in terms of visibility for emerging vehicles.

Yours sincerely,

Alistair McMurray
