Dear Lesley,

Apologies for the delay in response, this is my first day back from furlough. I am well thank you, I hope you are safe and well.

In regard to the new steelwork colour, this will be white to match the existing arrangement. The ground floor balcony detail will be to match the existing, with a raised masonry structure, finished with paving slabs.

I hope this answers your queries. Please do not hesitate to contact me.

Kind regards,
