Hi Lesley,

I do not appear to be able to access the consultee comment page, but please could you add the following comments to the application on behalf of the Traffic team:

The application states that there would be sufficient parking for 5 vehicles off the highway. In hindsight we believe that it would be a struggle to fit this amount of vehicles in the area indicated. Though, it would appear that on a 1-1 basis it would be probable that there would be sufficient vehicle parking.
