Dear Sir or Madam,

RELATING TO REVISED PILING ARRANGEMENTS.**

**LAND ADJACENT TO FULFLOOD ROAD, DUNSBURY WAY INDUSTRIAL ESTATE,
HAVANT, HAMPSHIRE, PO9 5EQ.**

Thank you for reconsulting the Environment Agency on the above application following the submission of further information relating to piling arrangements.

We have reviewed the information as submitted and set out our position and comments below.

Environment Agency position

We have no objection to the variation of the conditions relating to piling techniques (Condition 10 of planning permission APP/18/00478 and Condition 9 of planning permission APP/19/00875).

Advice to Applicant

Thank you for providing confirmation that the piles will not penetrate the full thickness of the London Clay. As requested previously, we would highlight that the Discovery Strategy needs to be robustly implemented, as required by Condition 8 of planning permission ref: APP/18/00478.

Please do not hesitate to contact me using the contact details shown below should you have any queries regarding the above information relating to this application APP/19/00909.

Yours faithfully,
