

Simbro Pontoon System - Concrete Floats

Pontoons

Our Simbro pontoons are bolted modular system fabricated from steel & galvanized to provide protection against the elements, they come with a range of decking & fenders to suit individual needs. All floats, cleats & fixings are supplied along with the option to have access covers if needed. The pontoons can be supplied with either our concrete or plastic floats. Special applications can also be accommodated for including custom free-boards, sizes & loadings.
