

APP/20/00508 | Approval of Reserved Matters in respect to Phase 1 Plot 4a of APP/17/01324 (new employment uses, hotel and access road) comprising construction of 11,622 sqm B2 commercial premises for plot access, layout, scale, appearance & landscaping and Condition B5 Other Matters criteria a to h inclusive. | Dunsbury Park, Fitzwygram Way, Havant, PO9 4EE 20.0879

Thank you for consulting me on this application. Thank you for your patience during the long delay in responding.

The application is not accompanied by any ecological information. For previous reserved matters applications at the Dunsbury site we had agreed that there would be an ecological submission which in particular provided details of how each plot's landscaping/mitigation measures fitted into the agreed overall strategy for the wider Dunsbury site. Until such information is provided I am unable to comment in detail.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan

Tristan Norton

Coronavirus (Covid-19)

Hampshire County Council's response to the Covid-19 is available here (<https://www.hants.gov.uk/socialcareandhealth/coronavirus>).

In line with Government advice to reduce non-essential travel and work from home where possible, Ecology officers are now working remotely. Whilst we will endeavour to conduct our services in a timely manner and to meet statutory timescales where we can, there may be some impact to the services we deliver. We will ensure that we keep all applicants / interested parties informed of any further impacts to our services should they arise. The Council's response also means that no non-essential site visits or face to face meetings will be undertaken until further notice. Essential and contractual surveys may continue take place where there is no risk to the surveyor or

the public, and in line with Government advice. This will be reviewed on an on-going basis.

Hampshire Services offers a range of professional consultancy services to partner organisations.

Specialist Environment Services provides data, advice and assessments for ecology, heritage and landscape.
