

4 x Sycamore trees Located @

43 South Street, Havant,
Hants PO9 1BY

Tree 1

1. all sunlight blocked from the trees
2. pest problems, flies, bees etc occupy the whole garden area
3. The branches are leaning over the wall into grave road, which could be a problem for people walking by
4. The trees are giving off a Sap which is incredibly dangerous for my children when playing outside
5. Sycamore seeds are all over my garden which my dog keeps eating and getting sick from.
