

This architectural drawing shows a building facade with a gabled roof. The roofline is marked with a dashed line. The facade is divided into three horizontal sections. The top section, under the gable, features two small, square, double-hung windows. The middle section, which is the main body of the building, has a brick pattern and contains three windows: a large double-hung window on the left, a smaller double-hung window in the center, and another large double-hung window on the right. The bottom section, which is the base of the building, also has a brick pattern and features three windows: a large double-hung window on the left, a large double-hung window in the center, and another large double-hung window on the right. The drawing is a line drawing with no shading or color.
