Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The previous objection dated 22 October still applies.

The 2 storey extension of the South aspect in 2004 severely impacted on its southern neighbour NO 3.

The now proposed rear extension across the whole of the increased western aspect will once again severely impact on its neighbour NO3.

This would be 2 extensions of the same house which will affect the open ambiance of Spinnaker Grange and impact on its neighbour.

Havant core strategy policy CS16 para 1e states that rear and side extensions should avoid impact on Neighbouring properties

This inappropriate application should therefore be refused.
