Hi Joseph

Further to our and your earlier telephone conversation with Darren, please accept this email as confirmation and acceptance of the prior commencement condition wording.

As discussed, we also accept the extension of time to the 25th February on the understanding that the council has no further comments/objections to raise as the requirement is to allow for the re-advertising of the proposal description.

It is also agreed that the existing detached garage can be demolished under the permitted development rights and has no bearing on the application.

If you have any further queries, please feel free to call me to discuss.

Thank you

Rich Williams
