Coronavirus (Covid-19)

Hampshire County Council's response to the Covid-19 is available here (<https://www.hants.gov.uk/socialcareandhealth/coronavirus>).

In line with Government advice to reduce non-essential travel and work from home where possible, Ecology officers are now working remotely. Whilst we will endeavour to conduct our services in a timely manner and to meet statutory timescales where we can, there may be some impact to the services we deliver. We will ensure that we keep all applicants / interested parties informed of any further impacts to our services should they arise. The Council's response also means that no non-essential site visits or face to face meetings will be undertaken until further notice. Essential and contractual surveys may continue take place where there is no risk to the surveyor or the public, and in line with Government advice. This will be reviewed on an on-going basis.
