Location Manager

Dear

Re: Woods Cottage, Tourerbury Woods

Having spoken to you recently on the phone I enclose a portfolio of photographs of my property on Hayling Island for you to peruse. I have also enclosed a map showing the property which is a 60 acre wood on the South East side of Hayling Island with private foreshore onto Chichester Harbour.

If the property is of interest to you I would welcome a sight visit by yourself or one of your location managers in the near future.

Yours faithfully

C M V Snell
