Dear Sirs

Re: Apposing Planning of an extended carpark for the proposed 5 Penthouses

I own flat 19 Ward Court 65 Seafront Hayling Island Hampshire PO11 0AL where the proposed request for the car park is to be right outside my flat.

The reason I bought my flat was for the beach position, and the lovely outlook it has over the garden, please see attached pictures I have taken of the garden.

I am very much apposing the planning of the car park outside my flat, and the Penthouse scheme, as I do not want exhaust fumes which are against health and safety risk, and again the safety of the cars coming in and out parking up, so close to my balcony when I am sitting out there, also headlights beaming straight into my flat.

Please can you take this all into consideration.

Yours faithfully
