Dear Sir/Madam,

Construction of 21No. one and two bed apartments in a 2 storey extension fronting onto Prince George Street, together with the provision of infill flexible use (Classes A1/A2/A3) commercial floorspace to North Street frontage, following the demolition of existing 1 and 2 storey retail development to rear. at North Street Arcade, 1-3 North Street Arcade, Havant

Thank you for consulting us on the above planning application. Hampshire County Council as Lead Local Flood Authority has provided comments in relation to the above application as our statutory consultee role in relation to surface water drainage for major developments.

The County Council has reviewed the following documents relating to the above application:

- Surface Water calculations dated 09/19

Calculations have now been provided for the 1:30 and 1:100 + climate change storms and therefore we have no further comments.

This response has been provided using the best knowledge and information submitted as part of the planning application at the time of responding and is reliant on the accuracy of that information.

Yours faithfully,

Flood and Water Management Team

*Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI*
