Dear Mrs Haywood,

Planning Application APP/20/00285 land raising Recreation Ground, Hobby Close, Wecock, Waterloooville

Thank you for your consultation. There are no archaeological sites currently recorded at this location. More over large scale archaeological survey to the west ahead of residential development found no archaeological sites. Although it is not possible to say with confidence that a site of this size is without archaeological content there is no pressing argument to suggest that it has a high archaeological potential. Therefore I would not raise any archaeological issues.

Yours sincerely
