Dear Lewis,

Land at Northney Marina, Hayling Island, PO11 0NH

Retrospective application for use of land for siting of temporary brokerage office and 3No. storage units for 3 years. (Revised scheme to Planning Permission APP/18/00423).

I refer to your consultation in respect of the above planning application.

As a temporary permission exists and I understand expires in 2021 this proposal is unlikely to significantly increase the number of vehicular movements. I am not aware of any significant issues at the access to this site.

I therefore confirm the Highway Authority have no objection subject to a repeat of condition numbered 3 on the previous permission, being :-

The car parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the development being first brought into use and shall be retained thereafter for their intended purpose.

Yours sincerely,

Ray Alborough
