

APP/19/01131. Land adjacent to Mandai, St Peters Road, Hayling Island

Good morning Lewis,

Please take this E Mail as notice of my intention to Red Card this planning application to the DMC.

If however Cllr Raines has or is about to do this I will stand back.

I am on holiday abroad at this time so am unable to give you a Model Reason for refusal of this application, so can only state that in my opinion the land is totally unsuitable for a touring caravan site and the roads in Northney are also not suitable for caravan traffic.

I check my E Mails frequently and I am back in the country on 2/1/20 if you need to speak to me.

Regards,

Leah Turner
