

Drawing 1A – 16/11/2019 – Layout of proposed materials

This drawing is an extract from the approved plan – **Proposed plan, elevations and roof plan - Drawing No 1170.03.a - 19/04/2018**

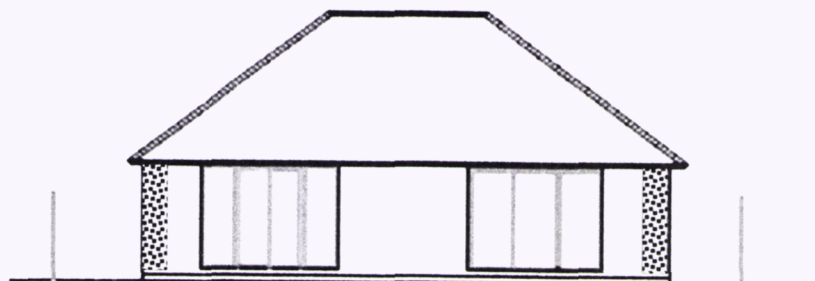

This drawing is not to scale

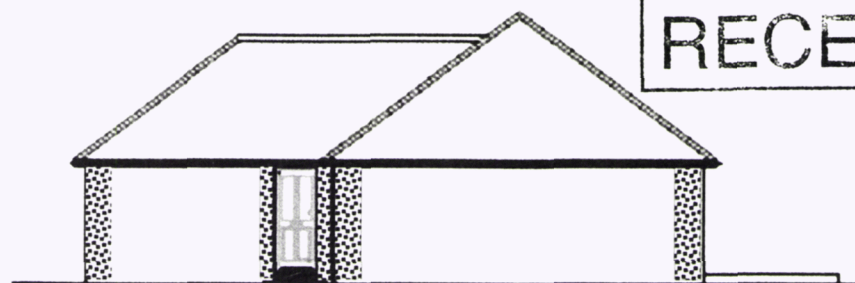

Front Elevation

Side Elevation Facing 16 Eaststoke Av

Rear Elevation

Side Elevation Facing 11 West Haye Rd

Drawing 1A – 16/11/2019 – Layout of proposed materials

1. Roof tiles to be **Marley Edgemere** concrete interlocking tiles in **Slate Grey** Photo and details already provided to Havant Planning.
2. Exterior cladding to be **Teckwood composite cladding in Cedar** Photo and details already provided to Havant Planning.
This cladding is to be fixed to the front elevation wall of the bungalow only, as shown in drawing 1A – 16/11/2019 Layout of proposed materials.
3. Stone cladding to be **Tier stone cladding panels in Ochre** Photo and details already provided to Havant Planning.
This is real stone cladding and is to be fixed to each corner of the bungalow and narrower panels to either side of the front door. In effect the stone cladding will form dressed corners to the property.
4. Brickwork to be **Ibstock Himley Ebony Black 0354** facing bricks Photo and details already provided to Havant Planning.
The face brickwork will be laid in to form the walls between the real stone cladding panels on the corners and either side of the front door all except the front elevation wall, as shown, which will consist of the cladding.
