

Dear Ms Wells,

**Planning Application APP/19/01226 Land west of Coldharbour Farm
Road, Emsworth**

Thank you for your consultation. I would draw your attention to the archaeological evaluation submitted with the planning application, which I would endorse to you. The archaeological evaluation, a prior archaeological survey, did not identify any archaeological remains which would merit the burden of further archaeological work. On that basis I would not raise any archaeological issues with regard to this development.

Yours sincerely

David Hopkins
