

9th March 2020,

Dear Mr L Oliver,

Reference AAP/20/00015 108 -110 Elm Grove, Hayling Island PO11 9EN

I am contacting with regards to the planning application that you have proposed for the above site in Hayling Island.

I am happy to support this proposal as I feel it is better to build on derelict land rather than more green belt & fields and this site has been vacant for long while now.

Kind Regards
