Dear Mrs. Pickup,

St Thomas's Church, 24 New Brighton Road, Emsworth, PO10 7PS

Single storey extension to west elevation with internal alterations and extension of church curtilage to the west to provide additional car parking and landscaping.

I refer to your consultation in respect of the above planning application.

I note the front boundary feature is to be brought forward, and from the Highway Authority's records this does not appear to encroach on to the highway.

The amount of on site car parking is a matter for the LPA and as the access is not proposed to change I confirm the Highway Authority's recommendation is no objection in this case.

Yours sincerely,

Ray Alborough
