

APP/19/0253 – Eastney Farmhouse, St Peters Road, Hayling Island

Proposal:

Listed Building Consent for amendments to fenestration approved as part of APP/19/00995.

Assessment of proposal

The proposal is to amend the cill height of the replacement porch windows from 1200mm (as approved) to 970mm which is more in line with the existing cill height.

No objections are raised with regards to this minor change and the application is therefore supported.
