

2nd January 2020

The Home Owner / Resident

Dear Sir/Madam

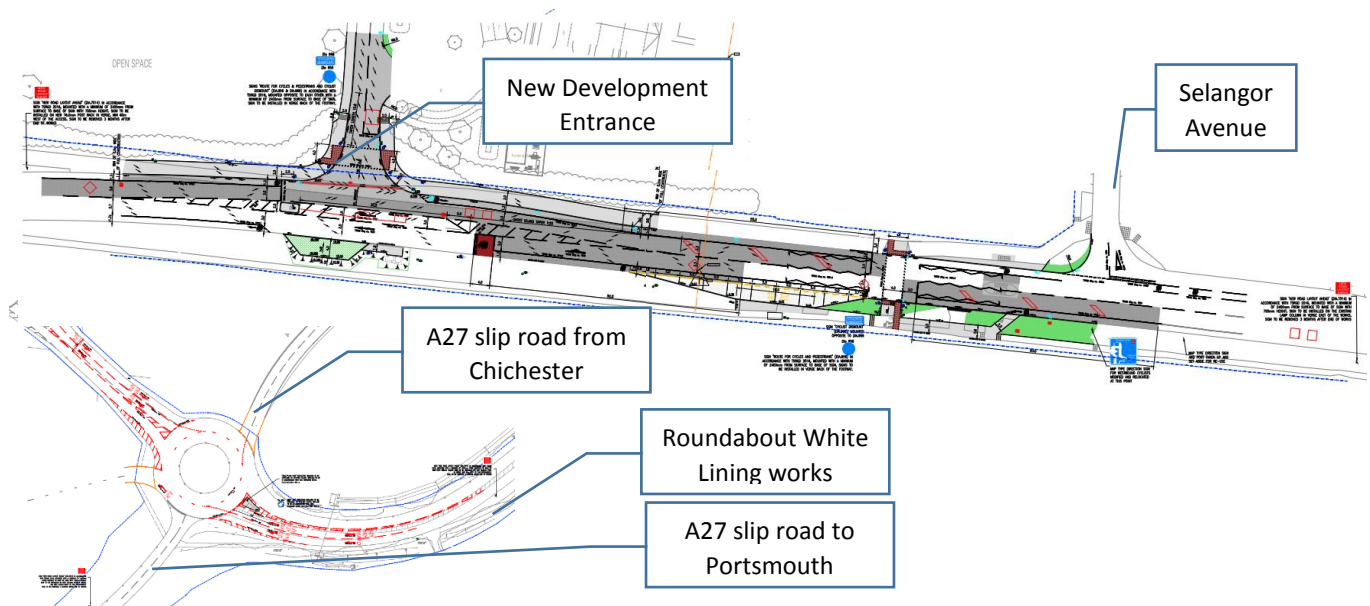

Further to our previous correspondence notifying you of highway works, please find enclosed an update for upcoming road works.

Roadworks are due to resume on the 13th January 2020 for a period of 14 weeks. This will include works to Selangor Avenue junction with Havant Road, signalised pedestrian crossing, bus stop extension, signal work on the new bellmouth, and roundabout white lining. This is subject to weather and we will endeavour to avoid delays.

Temporary traffic lights will be used for the first 5 weeks, of the 14 weeks program. All works after the initial 5 weeks are to be carried out under some carriageway incursion, to allow free flow of two-way traffic. The final two weeks will involve a night-time road closure for surfacing and lining. An additional notice will be sent in advance of this element commencing.

We will have a full time Site Manager on site who will be fully aware of the need to cause as little disruption as possible whilst managing the Health and Safety aspects of the project. We are in the process of contacting the local schools regarding the need to make children aware of our development and the dangers of playing on construction sites.

The bus stop located west of Selangor Avenue will be suspended for the majority of the works. This will be signed appropriately in advance.

Should you have the need to raise issues in the meantime, then please do so by contacting our head office on 01489 779200 and ask for the Construction Secretary who will be able to contact a member of the construction team and arrange for one of us to call you back to discuss your concerns.

Yours faithfully
