Dear Mr. Shaw,

226 London Road, Waterloooville, PO7 7HP

2 No. static internally illuminated fascia signs

I refer to your consultation on the above planning application.

There appears to be an inconsistency between the application form and the drawings, in that the drawings do not suggest the projection of the signs is 0.8m. That said, I confirm there is no objection subject to the following condition :-

The maximum illuminance level of the signs shall be 280cd/m²

Yours sincerely,

Ray Alborough
