For the attention of Mr D Eaves

Dear Sir

Land West of the Crematorium, Bartons Road - Outline Application with all other matters reserved, for up to 72 new homes plus associated green infrastructure including community orchard.

Please take this letter as confirmation that the Highway Authority will seek to secure 'keep clear' markings at the access to the crematorium and this will be reflected in the S106 agreement.

These markings would then be delivered as part of the access works which will be implemented through a Section 278 agreement with the Highway Authority should the application receive planning permission at committee.

Yours Sincerely,

Stuart Morton – Transport Team Leader
