

Dear Daphney,

APP/20/00150 | Application to determine whether prior approval is required for the installation of a 15 metre high monopole supporting 3No antennas and 2No 300mm microwave dish antennas. Installation of an equipment cabinet and an electrical meter cabinet at ground level and ancillary development works. | Land West side of Eagle Avenue, Waterloooville 20.0301

Thank you for consulting me on this application. I would not raise any overriding concerns but do note the comments from the Landscape Officer in respect to the potential impact on adjacent trees. If impacts to trees are likely then there may be ecological constraints also.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
