Dear Mr Oliver,

Re: APP/19/00635 Land Adjacent, 93 Winterslow Drive, Havant, PO9 5DZ

As part of the above Application, it has been noted that a petition has been signed by the local residents, objecting to the 2 No. houses due to parking reasons.

In response to this, we would like to highlight that there is an existing crossover and access to the site from the highway, and therefore the proposed houses will not decrease the amount of street parking. This has been acknowledged by Highways.

There are mentions (by Highways) of a garage on the Application site. We can confirm there is not, and has never been, a garage on the subject site. Dwellings within the locality also do not have garages, and the parking for the residents in the local area is predominantly on street parking.

There is no turntable proposed as part of the development. We will be pleased to discuss the suggested 11m front garden depth with you further, which the Applicant not averse to.

We welcome your comments.

Yours sincerely,
