Reason: - To ensure provision of a satisfactory development.

- 2 The development shall take place in accordance with the Site Levels Plan information submitted in relation to planning permission reference APP/18/00478 condition No.3 and subsequently approved by the Local Planning Authority on the 27th September 2018.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 3 The refuse store and pallet store shall be provided in accordance with the details of Refuse and Pallet Store Design approved in relation to condition No.4 of planning permission APP/18/00478 on the 12th October 2018.

Reason: To ensure that they will not impact negatively on the Root Protection Area of the adjacent Alders and having due regard to policies CS16 and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework.

- 4 The building shall not be brought into use until space for the loading, unloading and parking of vehicles and cycles has been provided within the site, in accordance with Planning Permission APP/19/00875 approved plan Drawing No. 1853.01B. Such areas shall thereafter be retained and used solely for those purposes.

Reason: In the interests of highway safety and having due regard to policy DM14 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework.

- 5 The development hereby approved shall be carried out in accordance with the details approved in relation to Condition 6 of Planning Permission APP/18/00474 on the 1st February 2019 in relation to Contamination issues.

Reason: The site lies over the Bognor Sand Member over London Clay, the former classified as a Secondary A Aquifer. The site also lies adjacent to the Riders Lane Stream which is a tributary to the Hermitage Stream. Contamination may be present at the site as a result of its historical use(s). Any contamination present may pose a risk to groundwater underlying the site and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework.

- 6 No occupation of any part of the permitted development shall take place until a verification report demonstrating completion of works set out in the approved remediation strategy and the effectiveness of the remediation shall be submitted to and approved, in writing, by the local planning authority.

The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. It shall also include any plan (a "long-term monitoring and maintenance plan") for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action, as identified in the verification plan. The long-term monitoring and maintenance plan shall be implemented as approved.

Reason: To prevent pollution of the water environment and having due regard to policies CS15 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and

- 7 If, during development, contamination not previously identified is found to be present at the site then no further development (unless otherwise agreed in writing with the local planning authority) shall be carried out until the developer has submitted a remediation strategy to the local planning authority detailing how this unsuspected contamination shall be dealt with and obtained written approval from the local planning authority. The remediation strategy shall be implemented as approved.
Reason: To ensure that any contamination identified during the construction works is fully characterised and assessed and having due regard to policies CS15 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework.
- 8 The development hereby permitted shall be carried out in accordance with the Surface Water disposal details submitted in relation to condition No.9 of planning permission APP/18/00478 and subsequently approved on the 1st February 2019 as amended by Planning Permission APP/19/00875 drawing No. 1853.05. All details shall be implemented and maintained in accordance with the previously approved details.
Reason: To ensure the appropriate management of surface water runoff to control the rate of inputs to local surface waters and to mitigate potential pollution of local surface waters. This condition is imposed having due regard to policy DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework.
- 9 No piling or other foundation designs using penetrative methods shall be carried out excepting in full accordance with the details hereby approved unless otherwise agreed in writing by the Local Planning Authority.
Reason: Piling or any other foundation designs using penetrative methods other than as hereby approved can result in risks to potable supplies from, for example, pollution / turbidity, risk of mobilising contamination, drilling through different aquifers and creating preferential pathways. Thus it should be demonstrated that any proposed piling will not result in contamination of groundwater and having due regard to policies CS15 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and National Planning Policy Framework.
- 10 The development hereby permitted shall be carried out in relation to foul drainage in accordance with the details submitted in relation to Condition 11 of planning permission reference APP/18/00478 and subsequently approved on the 2nd October 2018.
Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Core Strategy 2011 and the National Planning Policy Framework.
- 11 The landscaping works shown on the approved plan ref. 27974-PD201 approved under planning permission reference APP/18/00478 shall be carried out in accordance with the approved details, and in accordance with details of the tree species to be submitted to and approved in writing by the Authority, within the first planting season following development hereby permitted being bought into use. Any trees or shrubs planted or retained in accordance with this condition which are removed, uprooted, destroyed, die or become severely damaged or become seriously diseased within 5 years of planting shall be replaced within the next planting season by trees or shrubs of similar size and species to those originally required to be planted.
Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS16 and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 12 No part of the development shall be brought into use until details of the type, siting, design and materials to be used in the construction of all means of enclosure including boundaries, screens or retaining walls, have been submitted to and approved in writing by the Local Planning Authority and the approved structures have been erected in accordance with the approved details. The structures shall thereafter be retained.
Reason: To safeguard the amenities of the locality and occupiers of neighbouring property and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 13 The external lighting shall be fully in accordance with the details submitted in relation to condition No. 14 of planning permission APP/18/00478 and subsequently approved on the 27th September 2018. There shall be no external lighting on the site other than as thereby approved.
Reason: To safeguard the amenities of the locality and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 14 Prior to the development hereby permitted being brought into use a Post Construction Assessment shall be submitted to the Local Planning Authority. The Certificate shall state that the development has attained a minimum standard of 'very good' BREEAM rating, unless otherwise agreed in writing by the Local Planning Authority following the submission of details and subsequent assessment to demonstrate that this rating is not attainable due to the financial or technical viability of the scheme.
Reason: To ensure that the development is carried out in accordance with Policy CS14 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
