2776-PS-01

VIEW 01: View from Scratchface Lane looking south into the Site.

NOTE:
Photographic views were taken on site with a digital camera using the equivalent of a 50mm focal length lens on a standard 35mm SLR camera.
The individual photographic images were joined together digitally to produce a panorama. A minimum 50% overlap with adjacent images was allowed to reduce distortion.

Photograph details:
Time / date: morning of 23rd February
