

Before: No image available.
Current (2018/19):

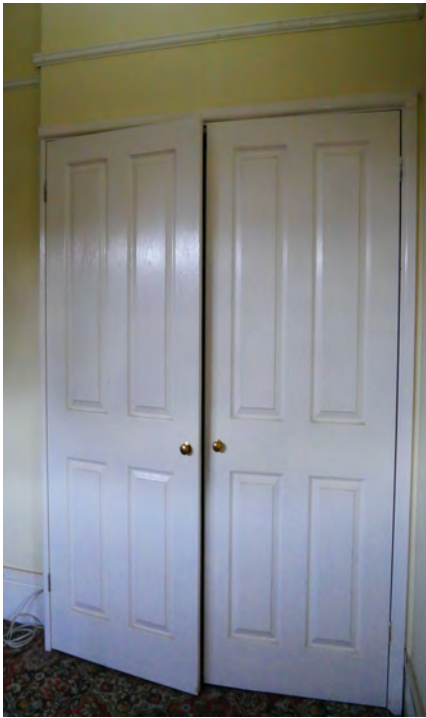

42. South inner facing wall of G18. LBC has been granted for new French Doors to lead onto the terrace.

43. North inner facing wall of G18 leading to G20 which is a later extension.

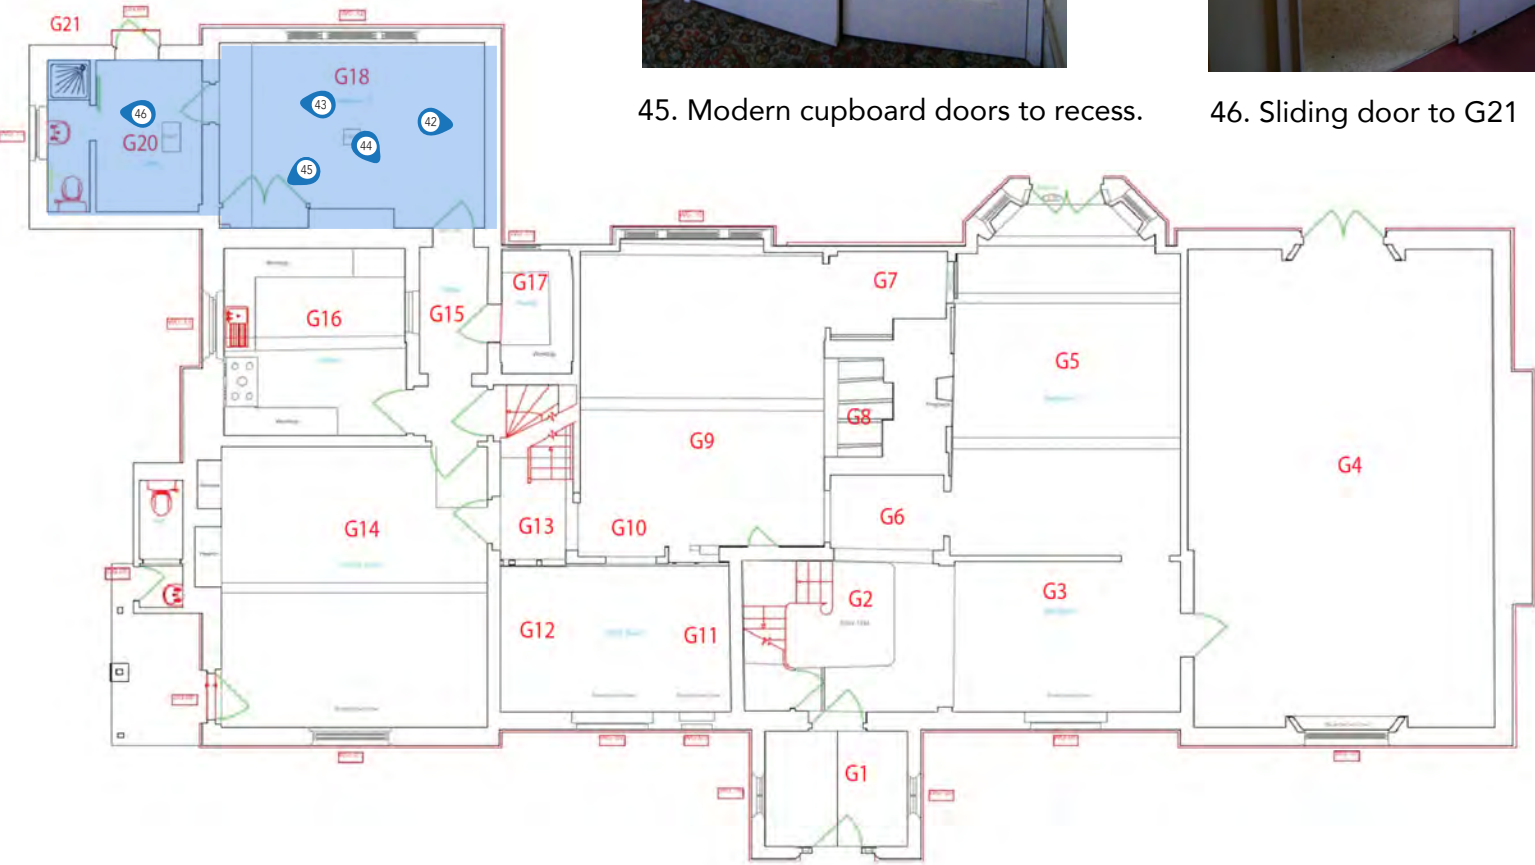

44. Blocked up fireplace to G18, west inner wall with chimney breast obscuring a Victorian window.

45. Modern cupboard doors to recess.

46. Sliding door to G21

Notes:

Refer to Dwg MHB-02A for notes.
These rooms were added during the C20th . G18 dates from 1932. It had been referred to as a 'bathroom cottage' during the occupancy of Captain Watson. In 1946 it was let as a separate unit of accommodation by Mr & Mrs Eyles, over three floors. G20 was added in 1978
