Dear Gill

We are happy with the change in wording, whether it ends up being brick or timber it would be clad to the piles which form the sea wall structure, so wall finish is fine.

Kind regards

Heather McCrudden

Subject: RE: Dolphin Quay - Conditions APP/16/00921

Dear Heather,

Thank you very much for sending the revised drawings for Condition 4. With regards to drawing 18-3130-126-P7 the wording for the flood defence wall materials is 'wall cladding finish', please can this be amended to 'wall material finish', you will not need to submit another amended drawing (unless you would prefer to), an email stating that you are happy to change the wording to 'Flood defence

wall material finish to be agreed under planning consent Condition 7 – Boundary Treatments’ would suffice (we would then list this in the approved plans/documents for the condition).

Once we have received either an email stating the above or a revised drawing, we will then be in a position to discharge the condition.

Kind regards,

Gill Glover
