Dear Sirs,

Proposal: Erection of 320 dwellings (including a 30% provision of affordable homes), 66 bed care home, provision of public open space, habitat mitigation zone, allotments, closure of existing access and creation of 2 new access points and associated infrastructure following demolition of existing buildings.

Site: Land at Forty Acre Farm, Havant Road, Havant, PO9 3LW.

Thank you for your letter of 07/07/2019.

Southern Water would have no comments to make with regards to revised plans and documents. All other comments in our response dated on 12/06/2019 remain unchanged and valid for the amended details.

Southern Water has recently undertaken more detailed network modelling as part of a network growth review. The results of this assessment, to our current modelling procedures and criteria, indicates that the additional foul sewerage flows from the proposed development will not increase the risk of flooding in the existing public sewerage network. Southern Water can hence facilitate foul sewerage disposal to service the proposed development.

For any queries please contact us at developerservices@southernwater.co.uk.

Yours Sincerely
