Dear Lesley,

19/00537 Extension to the car parking area to provide 44 additional parking spaces. | The Oaks Havant Crematorium, Bartons Road, Rowlands Castle, Havant, PO9 5NA 19.1623

Thank you for consulting me on this application.

The application is accompanied by a Reptile Mitigation Strategy (Arcadian Ecology, August 2019). This document sets out reasonable measures for ensuring that common reptile species are not harmed during works. These measures are acceptable.

If you are minded to grant permission, can I suggest that all mitigation measures are secured by condition.

Development shall proceed in accordance with the Reptile Mitigation Strategy (Arcadian Ecology, August 2019) unless otherwise agreed in writing by the Local Planning Authority. Reason: to protect biodiversity in accordance with the Wildlife & Countryside Act 1981, the NERC Act (2006), NPPF and with Policy CP21 of the East Hampshire District Local Plan: Joint Core Strategy.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan
