Dear Tina,

The Langstone Hotel, Northney Road, Hayling Island, PO11 0NQ

Erection of modular clad portable building for health and wellness activities

I refer to your consultation in respect of the above planning application.

The proposal is likely to lead to the net loss of one or two car parking spaces with no additional spaces being proposed. This is a matter for the LPA. It may also include the re-opening of an existing access on to the highway, which could presumably have the temporary barriers removed at any time without reference to the LPA. Please replicate any visibility conditions placed on any approval for the construction of this access in the past, or if there are none then the Highway Authority recommends no objection subject to :-

Note to Applicant advising the provision of visibility splays of 2.4m. x 120m. be provided because of the 40MPH speed limit on Northney Road at this point.

Yours sincerely,

Ray Alborough
