**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Grant of Planning Permission**

Application Number: APP/19/00870

Site Address: Land adj 56 Kings Road, Hayling Island, PO11 0PD

Proposal: Subdivision of garden and erection of end of terrace two storey three bedroom dwelling with on site parking, refuse area and secure bike store, partial demolition of existing brick boundary wall, increase in height of existing 1.5m fence on western side with trellis to 1.8m, new 0.9m high close board fence to northern boundary and new dropped kerb (alternative proposal to Planning Permission APP/18/00708).

Further to your application received on 02 September 2019 Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Location and Block Plan Reference 21902/201 Rev

Site plan and existing floor plans 21902/202

Proposed Site Plan Ground Floor Plan: 21902/203 rev A

Our Ref: APP/19/00870

Reason: - To ensure provision of a satisfactory development.

- 3 Notwithstanding the provisions of any Town and Country Planning General Permitted Development Order, no extension, building alteration, means of enclosure or windows (including within the roof) shall be constructed within the curtilage of the hereby permitted new dwelling without the prior approval of the Local Planning Authority.

Reason: In the interests of the amenities of the neighbouring properties, to prevent loss of privacy and/or a cramped form of development and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 4 The car parking and associated dropped kerb, servicing and other vehicular access arrangements shown on the approved plans (Location and Block Plan Reference 21902/201 Rev A) to serve the new dwellinghouse hereby approved and existing dwellinghouse No 56 shall be made fully available for use prior to the occupation of the dwelling hereby approved and shall be retained thereafter for their intended purpose.

Reason: In the interests of highway safety and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 5 No part of the development shall be first occupied until details of the type, siting, design and materials to be used in the construction of all means of enclosure including boundaries, screens or retaining walls, have been submitted to and approved in writing by the Local Planning Authority and the approved structures have been erected in accordance with the approved details. The structures shall thereafter be retained.

Reason: To safeguard the amenities of the locality and occupiers of neighbouring property and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 6 No development shall take place until finished floor levels for the proposed building(s) relative to agreed off-site datum point(s) have been submitted to and approved in writing by the Local Planning Authority. The development shall be undertaken in accordance with the approved details.

Reason: In the interests of the amenities of the area and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 7 No development hereby permitted shall commence until plans and particulars specifying the layout, depth and capacity of all foul and surface water drains and sewers proposed to serve the same, and details of any other proposed ancillary drainage works/plant (e.g. pumping stations) have been submitted to and approved in writing by the Local Planning Authority. Unless agreed otherwise in writing by the Local Planning Authority, the development hereby permitted shall not be brought into use prior to the completion of the implementation of all such drainage provision in full accordance with such plans and particulars as are thus approved by the Authority.

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard

to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 8 Notwithstanding any description of materials in the application no above ground construction works shall take place until samples and a full specification of the materials to be used externally on the building(s) have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 9 No development hereby permitted shall commence until a specification of the materials to be used for the surfacing of all open parts of the site proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. The development hereby permitted shall not be brought into use until the implementation of all such hardsurfacing has been completed in full accordance with that specification.

Reason: In the interests of the amenities of the locality and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework

- 10 Notwithstanding the provisions of any Town and Country Planning (General Permitted Development) Order 2015, prior to first occupation of the building hereby permitted the roof lights at or above first floor on the rear elevation (west) shall have a minimum cill height of 1.7m from finished floor level, be fitted with non-opening lights and textured glass which obscuration level is no less than Level 4 of the Pilkington Texture Glass scale (or equivalent) and retained as such thereafter.

Reason: In the interests of the amenities of the occupiers of nearby properties and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 11 The development hereby permitted shall not be occupied until:
- a) A water efficiency calculation in accordance with the Government's National Calculation Methodology for assessing water efficiency in new dwellings has been undertaken which demonstrates that no more than 110 litres of water per person per day shall be consumed within the development, and this calculation has been submitted to, and approved in writing by, the Local Planning Authority; all measures necessary to meet the agreed waste efficiency calculation must be installed before first occupation and retained thereafter;
 - b) A mitigation package addressing the additional nutrient input arising from the development has been submitted to, and approved in writing by, the Local Planning Authority. Such mitigation package shall address all of the additional nutrient load imposed on protected European Sites by the development when fully occupied and shall allow the Local Planning Authority to ascertain on the basis of the best available scientific evidence that such additional nutrient loading will not have an adverse effect on the integrity of the protected European Sites, having regard to the conservation objectives for those sites; and
 - c) All measures forming part of that mitigation package have been provided to the Local Planning Authority.

Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation for is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011 and Policy E14 of the Pre-Submission Havant Borough Local Plan 2036.
