Dear Mr. Weaver ,

Tournerbury Wedding Venue

Scheduled Ancient Monument (SAM) Number 1001945 and Ancient Woodlands circa 13th Century can be free from any Wedding Venue Traffic - Direct access to Tournerbury Plantation Wedding Venue can be achieved avoiding the Ancient Woodland and the Schedule Monument.

I refer to the further consultation relating to the letter from Mr. Southgate. The route to the south may very well have some operational benefits for the landowners involved.

You will be aware from my earlier consultation response the Highway Authority have no objection to the use of the private route applied for to serve the the wedding venue use.

I can advise the Highway Authority would have no objection to this alternative route should it be offered by the applicant.

In effect which private route is not of consequence to the Highway Authority because both of them have the same impact on the access to the highway network which is common to both routes.

Yours faithfully,

Ray Alborough
