Subject: 303096 Hayling Island Sailing Club, Hayling Island Sailing Club Overflow Car Park, Sandy Point, Seafarers Walk, Hayling Island APP/19/01141

Good afternoon Daphney,

Your reference: APP/19/01141

Our reference: 303096

Proposal: Variation of Conditions 8 & 11 of Planning Permission 04/52990/014 to enable use of HISC overflow car park for overnight parking for up to 28 days and nights per year for cars, boats and trailers (renewal of planning permission APP/17/01013)

Location: Hayling Island Sailing Club, Hayling Island Sailing Club Overflow Car Park, Sandy Point, Seafarers Walk, Hayling Island

Thank you for consulting Natural England on the above variation of Conditions 8 and 11. Natural England has no objection to the proposed variation.

If you have any queries relating to this advice, please contact me on the number below.

Kind regards,
Emily

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing

Natural England offers two chargeable services – The Discretionary Advice Service ([DAS](#)) provides pre-application, pre-determination and post-consent advice on proposals to developers and consultants as well as pre-licensing species advice and pre-assent and consent advice. The Pre-submission Screening Service ([PSS](#)) provides advice for protected species mitigation licence applications.

These services help applicants take appropriate account of environmental considerations at an early stage of project development, reduce uncertainty, reduce the risk of delay and added cost at a later stage, whilst securing good results for the natural environment.
