

RE APP/19/00928

29 STAUNTON AVENUE PO110EW

The block plan re submitted shows a hatched area for provision of parking.

To clarify, the detached garage is one space ,carport is a second and then a further minimum of four spaces already exist in the form of driveway and hard standing to front garden area.

This gives a total of 6+ spaces already in existence

Regards Bryan BRH CONTRACTORS (Agent).
