

Hi David,

Good to see you yesterday, thanks for your time.

One thing I forgot to show was the outlook over our garden from our rear bedroom. I've attached a photo taken this morning. The new units will be a similar height but closer to the rear boundary. The photo doesn't really give it justice but hopefully you can see what I mean about the overlooking and lack of privacy to the garden area from all three units. Just about every inch of the garden will be massively overlooked from each of the three units.

Please let me know if you require any further pictures/information.

Best regards
