Dear Lewis,

10A The Pallant, Havant, PO9 1BE

Demolition of existing building on 10A, The Pallant and adjacent existing building remaining to the rear of 11 East Street; Erection of 2 No. 3 bed Town Houses , plus 1 No. 1 bed flat and 1 No. 2 bed maisonette.

I refer to your consultation in respect of the above planning application.

The site plan, showing tracking is particularly curious in that the size of vehicle being tracked is larger than the vehicle indicated as turning. Secondly as you know The Pallant is a one way street east to west. The vehicle leaving the site is shown to access the highway contrary to the one way system.

Having said that, tracking of a Box Van size vehicle is required turning left in, left out and turning within the site is required. i shall be pleased if you could request this of the applicant. Upon receipt i will be able to provide a full response to this consultation.

Yours sincerely,

Ray Alborough
