fao Mr David Eaves

Thank you for the opportunity to comment on the planning application for Padnell Grange. This development sits in the catchment area of Padnell Infant and Junior Schools and Crookhorn College. In each case the schools are full but, in order to be full, they admit out catchment pupils. Consequently, over time, the anticipated pupil yield from this development will be able to secure a place at these schools with some of the out catchment pupils securing places at their catchment school for their education. Consequently I will not be seeking a contribution towards additional school places to mitigate the anticipate yield of pupils from this development.

Kind regards,
Martin Shefferd
