Planning Application APP/19/00770 St Thomas's Church, 24 New Brighton Road, Emsworth, PO10 7PS.

Single storey extension to west elevation with internal alterations and extension of church curtilage to the west to provide additional car parking and landscaping.

From a landscape perspective we have no adverse comments in relation to this application, however we do require the following for submission:

- A soft landscape scheme requiring submission of fully annotated plans at sufficient scale to identify species of individually planted trees, shrubs, hedges, marginal, bulbs and any areas of turfing / seeding. Planting areas should show the locations of different single species groups in relation to one another, and the locations of any individual specimen shrubs. Other information shall include plant specification schedules, comprising plant size, number and density.
- Boundary details requiring submission of fully annotated plans at sufficient scale showing the locations of existing, retained and proposed new boundary treatments, with scaled elevation drawings to show height, design, materials, type and colour of proposed new.
