Planning Application APP/19/00007 Camp Field (land to the west of Havant Crematorium), Bartons Road, Havant

Outline Application for access with all other matters reserved, for up to 72 new homes plus associated green infrastructure including community orchard.

From a landscape perspective we have the following comments:

- We require the off road cycle provisions to extend into the site and as a minimum to service the primary access roads. The rational to abruptly reduce the width of the footway is unclear and is not deemed acceptable.
- We would like to see a gateway feature introduced within the soft landscape proposals, 2 no. legacy native oak trees should frame the site.
