7th October 2019

Dear Mrs. Pickup,

COWPLAIN SCHOOL, HART PLAIN AVENUE, WATERLOOVILLE, PO8 8RY

Thank you for your letter of the 25th September 2019 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The proposal is to replace the main access door and a nearby escape door with aluminium doors. The documentation does not include any security specification for these doors. However, to provide for the security of the school they should be third party certificated to LPS 1175:2014 SR2 or LPS 2081:2016 SR B. The glazing within the sidelights at the main door should incorporate a pane of laminated glass to BSEN 356:2000 class P2A.

The installation of the gates and fencing will create pinch points which may create a crush especially at the close of the school day, some consideration will have to be given as to how to manage this.

The plans show a number of different gates, care should be taken with the design and construction of the gates to ensure that any fittings, such as handles, locks, etc. do not provide footholds and handholds that facilitate overcoming the gate.
