Comment Reasons:

Comment: I object to this additional development as I live in Furzedown Crescent.

If my husband and I had wanted to live next to a fast food takeaway, We would have chosen to do so 12 years ago when we purchased our home. In stead when we were going through the process of purchase our home our solicitor at the time when carrying out the checks informed us there was no developments near by we purchased our home. We object to the environmental and health impact as the refuse area is too close to the homes of houses next to the building at 71 Forestside avenue. As the removal of refuse associated to the fast food development especially wouldn't be done on a daily basis and also the smell on a daily basis would penetrate home with unwanted smells. Forcing residents nearby to keep our windows and doors to our gardens closed and not being able to enjoy our small areas of peace and quite. This is an unwanted development including app/19/00060 which is associated with this development. Be overlooked in our gardens and having to put up with fast food take which could be open late at night and also attract noisemakers is not appropriate for this small area.
