Declaration

I/we hereby assume liability for the Community Infrastructure Levy charge for the above development. This transfer of liability will come into effect on the date that the collecting authority receives the completed, valid transfer form. I/we understand that I/we must further submit a commencement notice, as per the requirements of the Community Infrastructure Levy Regulations (2010) as amended. I/we understand that doing so secures a 60 day payment window, or such time as the charging authority has allowed in its current payment instalments policy. I/we am/are aware of the surcharges and penalties I/we will incur if I/we do not follow the correct procedures for paying the CIL charge. I/we understand that I/we am/are liable for all outstanding CIL charges and any surcharges that may have accrued prior to my/our assuming liability for this development. I/we understand any communication and actions by the collecting authority to pursue me/us for the assumed liability will be copied to the site land owners (as defined by the CIL regulations).

Where this transfer has happened prior to commencement: I/we understand that any social housing relief existing for this chargeable development is now null and void and a new claim for relief will need to be submitted, should I/we wish to benefit.
